### **Finlandia Women's Soccer Adds Two for 2008**

*HANCOCK, MI* – The Finlandia University women's soccer program will add two freshmen to next year's team.

Mollie Schultz (Wetmore, Mich.) and Dawn Engman (Dollar Bay, Mich.) have committed to play for the Lions in the 2008-09 academic year.

Mollie Schultz, a 2008 graduate of Munising High School, is a 5'2" midfielder/forward who will major in liberal arts.

"Mollie is a great player with lots of speed. Her background in soccer and track has built up her endurance beyond most," said head women's soccer coach Matt Griffith. "I look for Mollie to transition well in the women's program here at Finlandia."

Dawn Engman, a 2008 graduate of Dollar Bay High School, will be a utility player for the Lions.

"Dawn is a local player who has been refining her skills the last few years. She is exciting to watch on the field and is excited to play here at Finlandia," said Coach Griffith. "I'm hoping that in tough game situations her great attitude will give the team extra motivation."

For additional information about the Finlandia University women's soccer program, please contact Coach Griffith at 906-487-7326 or [matt.griffith@finlandia.edu](mailto:matt.griffith@finlandia.edu).
