Fund for Nottke Family Established at Miner's State Bank

HANCOCK – A bank account for Janine and Randy Nottke has been established at Miner's State Bank, in Houghton and Ripley, to accept monetary donations to help the family as they recover from the loss of their home to fire.

The Nottke family lost their Painesdale home to fire January 8. Janine and Randy, and their son Chris, were not at home when the fire began. There were no injuries. Reports indicate that the house is a total loss.

“The Finlandia community was saddened to hear this news and will do everything possible to come alongside Janine and her family at this difficult time,” said Finlandia President Philip Johnson.

For nearly 20 years, Janine Nottke has worked in Purchasing and Facilities Management at Finlandia University.

To assist Janine and her family in this time of need, monetary donations may be made directly to the Miner's State Bank account, or directed to the Human Resources Department at Finlandia.

For additional information, please contact Ann Testini, Finlandia University director of human resources, at 906-487-7361 or ann.testini@finlandia.edu.
